

GROUP SWIM LESSON LEVELS AND DESCRIPTIONS

The Y offers a wide range of swimming options for the whole family. Swimming builds self-confidence and develops the whole person. Classes are divided into ability groups and trained instructors emphasize personal safety, swimming skills, endurance and social skills while guiding students with praise and encouragement.

Parent-Child classes are taught as a combined class for ages 6-36 months with the parent accompanying the child in the water. Skills are introduced at the child's development level and build on each other as the child progresses. Basic water skills are taught through fun songs and games. Ratio 1:10

Pre-School classes are for ages 3-5. Participants will be evaluated and divided by skill level on the first day of class. Ratio 1:6

Youth classes are for ages 6-13 years of age. Participants will be evaluated and divided by skill level on the first day of class. Ratio 1:8

Things to Remember:

- Proper bathing suit attire is required.
- All pool rules apply.
- A swim diaper with elastic around the legs and waist must be worn by participants who are not potty trained.
- Parents are invited to watch the class, but are asked not to interrupt the class. Any questions should be handled prior to or after the class.

If you have any questions, please contact:
